Permanent Bearing Protection.

Same Day Shipments!

Call Inpro/Seal today at 1.800.447.0524

Would you like to get 17 years out of your bearings

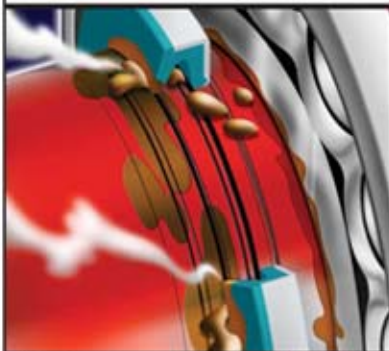

[www.inpro-seal.com](http://www.inpro-seal.com)

Do you know what it costs to run lip seals on your rotating equipment

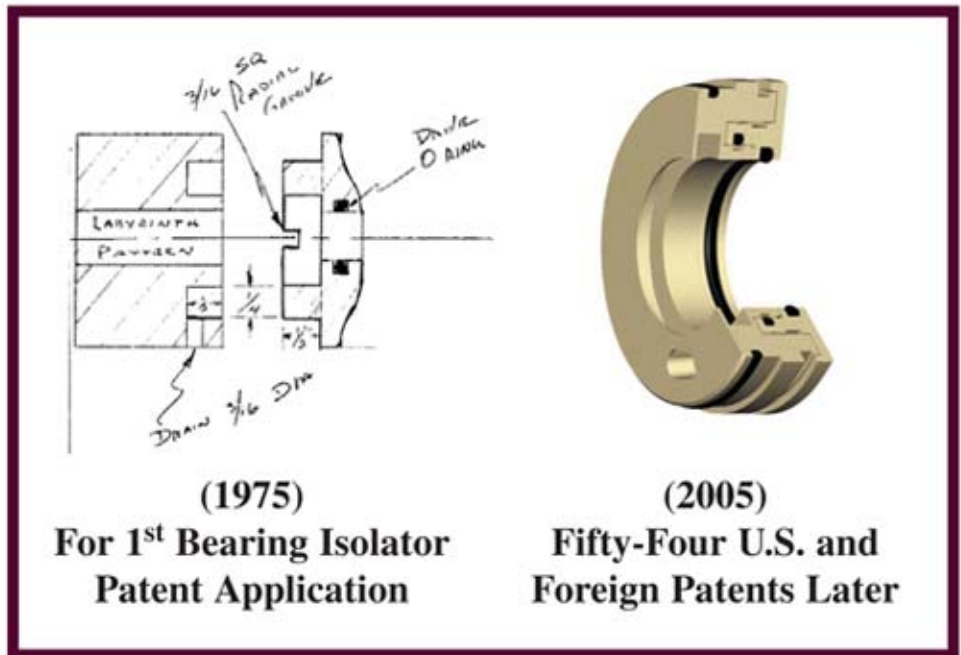

[www.bearingisolators.com](http://www.bearingisolators.com)

Lip seals burn and groove the shaft.

Convert to Permanent Bearing Protection.

**For more than 30 years, Inpro/Seal® has been making the best performing, most reliable, longest lasting Bearing Isolators in the world!**

No contact, no wear, no frictional drag means no need to repair an Inpro®. Almost all of the 2,000,000 Inpro/Seals we've sold are still performing today.

Our 58,000 item engineering data bank of various size and shape Inpro/Seals means we can exactly fit your dimensional requirements

and **Ship The Same Day** that you order one or a dozen Inpro/Seals.

Pumps, motors, gear boxes, turbines, paper machine rolls and other types of rotating equipment are all prime candidates for Inpro/Seal® technology.

**More than eighty percent of the people buying permanent Bearing Isolators choose Inpro/Seal®.**
